

# Nordic Hydrogen and Fuel Cells Conference 2018

## Reykjavík, Iceland October 9-10, 2018

### Tuesday October 9, 2018

09:00 Site visit - Hydrogen infrastructure at Hellisheidi Geothermal Power Plant

12:00 **Light lunch and registration**

**Session Chair: Jón Björn Skúlason, General Manager, Icelandic New Energy**

13:00 **Opening remarks**

Pórdís Kolbrún Reykfjörð Gylfadóttir, Minister of Tourism, Industry and Innovation

13:15 **Hydrogen Mobility Europe - largest EU funded hydrogen infrastructure and vehicle demonstration**

Anna Margrét Kornelíusdóttir, Scandinavian Coalition Coordinator, H2ME projects

13:35 **Hydrogen infrastructure in Iceland 2018**

Ingunn Agnes Kro, H2 Iceland

13:55 **Hydrogen buses in Iceland (Jive Project)**

Jóhannes Rúnar Svavarsson, Strætó bs

14:05 **Vision of future hydrogen infrastructure**

Jacob Krogsgaard, Nel Hydrogen

14:25 **Developing a concept for hydrogen infrastructure**

Roger Hertenberg, UNO-X

14:45 **rEvolution in mobility**

Heiðar J. Sveinsson, Hyundai Iceland

15:05 **Toyota Motor Europe** (tbc)

15:25 **Coffee break**

**Session Chair: Kristian E. Vik, Secretary General, Norwegian Hydrogen Association**

16:00 **The FCEV experience - User feedback on hydrogen vehicles in Denmark**

Tejs Laustsen Jensen, Hydrogen Denmark

16:20 **Hydrogen in the renewable energy system – view from an utility**

Oliver Weinmann, Vattenfall Europe Innovation

16:40 **Life cycle analysis of electric heavy duty vehicles (FCEV/ BEV) – LCA and LCC work carried out in the JIVE projects and beyond**

Michael Faltenbacher, Thinkstep

17:00 **Large-scale hydrogen production from wind power in Arctic conditions**

Federico Zenith, Haeolus Project

19:00 **Dinner (please register separately)**

# Nordic Hydrogen and Fuel Cells Conference 2018

## Reykjavík, Iceland October 9-10, 2018

### Wednesday October 10, 2018

**Session Chair: Björn Aronsson, Managing Director, Hydrogen Sweden**

**08:45 Progress on European hydrogen buses – the JIVE project and beyond**

Ben Madden, Element Energy

**09:05 EU project JIVE – demonstration of 300 hydrogen buses in Europe**

Aivars Starikovs, Latvian Academy of Sciences JBS

**09:25 PowerCell - well suited for zero emission transport solutions**

Johan Beyer, PowerCell Sweden

**09:45 Wrightbus hydrogen bus solution**

David Barnett, Wrightbus

**10:05 Common direction - Fuel Cell Bus**

Romuald Witkowski, Solaris bus and Coach

**10:25 Coffee break**

**10:45 Introduction of FC-HD-Trucks in Switzerland – Status and upscale of fleet**

Thomas Walter, H<sub>2</sub>Energy

Mark Freymuller, Hyundai Motor Co

**11:15 Fuel cells in trucks – On the road to decarbonize heavy-duty transport**

Marita Nilsson, Scania

**11:35 Discussion – Q&A on hydrogen powering heavy duty vehicles**

**12:00 End of conference - light lunch**

HFC Nordic organisers:

**Brintbranchen**  
Hydrogen Denmark

  
NORSK HYDROGENFORUM  
**hydrogen.no**

ÍSLENSK  
**NYORKA** ehf  
ICELANDIC NEW ENERGY Ltd.

**VÄTGAS**  
**SVERIGE**

Main sponsors:

**UM**  
**OE**  
ADVANCED  
COMPOSITES

Eco  Energy
